

## *Living Art Dance Studios November/December Newsletter 2024*

*WEATHER RELATED CLOSINGS: If public schools in Watertown are canceled due to inclement weather, dance classes will also be canceled. If the weather is bad enough that I am unable to travel, I will contact students by texting everyone that has classes that day to let them know I will not be holding classes. If you are ever unsure about the status of classes due to inclement weather, please text the studio at 605-380-1908, check the website, Facebook, or Keloland Closeline to see if classes will be held that day.*

*I will be having students wait INSIDE the studio at all times while waiting for their ride home from classes. It is for the safety of all of our dancers! Our younger dancers should have their parents walk them to and from classes each week.*

*\*\*With the weather changing, please be sure not to drop your child off at the studio without checking to make sure that the studio doors are open.*

*\*\*And as usual, students are to be dropped off and picked up no more than 10 minutes before and after their class time.*

*MONTHLY TUITION: All tuition is due by the 10<sup>th</sup> of each month. Please text or email the studio if you have any questions regarding your account.*
